### **Important Applicant Information:**

- Applicants requiring detoxification must do so prior to entry.
- Lakeside Academy is **NOT** a medical care facility; therefore, we do not provide clients with medication prescriptions. Applicants are **required** to enter the program with at least a 30 day supply of all currently prescribed medications or an active prescription (with the exclusion of prescribed narcotics).
- **A diagnostic assessment is required prior to admission.** If a DA has not been completed prior to admission, one will be given upon arriving. There will be an additional cost of \$300.00 if an assessment is done on-site.
- **A physical examination is required prior to admission.** Some applicants may be approved for admission prior to having a physical examination, provided they agree to have a physical immediately upon entering our program. Tests for HIV, STD's, Tuberculosis and Hepatitis are required as part of the physical exam.

Thank you again for your interest in our program, we understand that this is a big decision for parents/guardians to make. Please do not hesitate to contact our Admissions Department to get more information about our program.
